PARKING NOTICE

A-GAME PARKING

Please help to make the parking situation safe for everyone by following some guidelines:

- carpool or park-and-ride with a teammate, if possible
- leave home 5 minutes earlier than usual – don't expect to find an open spot right away
- keep your speed down and be especially watchful for moving vehicles and people
- park only in designated locations
- overnight parking of cars, vans, or buses is not allowed in our parking lot or in our neighbors' parking lots
- if a designated space is not available in our lot (we have 525 spaces, but they DO fill up), please feel free to drop off your passengers and gear at the front door, and then go park in one of the overflow locations in one of the marked parking spots in the adjacent businesses, which are:

1. Danrich building spaces - 209 Gothic Ct.
2. Fitness Systems spaces - 210 Gothic Ct.
3. Along the curbs on Gothic Ct.

No matter where you park, please be courteous – stay in marked spaces, stay off the landscaping, do not block entrance/delivery doors or traffic lanes, and do not leave trash behind.

Cars parked along the curbs or in the islands may be towed at owner's expense.

SEE YOU SOON AT A-GAME!
